GENERAL.

Proceedings of the Government of Mysore,

Letter No. 4781, dated 2nd December 1895, from the First Assistant to the Resident in Mysore to the Dewan of Mysore.

2. Direct correspondence on the subject of rice certificates would be unobjectionable, but opinions are liable to differ as to whether certain matters are of "minor detail" or not, and considerable inconvenience has been experienced in this office by direct correspondence having been carried on on a subject which, though at the outset seemingly trivial, afterwards assumed a greater or less degree of importance. Mr. Mackworth Young is, however, of opinion that it is quite possible to make certain exceptions to the procedure referred to in para 3 of this office letter No. 4061 of the 12th October last, and is inclined, after consulting the local military authorities, to allow direct correspondence on the following subjects:—

(1) Supplies for troops at field training.
(2) Relating to recruiting parties in Districts.
(3) Relating to claimants for family pension.
(4) Rice certificates.

Proceedings of the Government of Mysore.

READ :—

The Village School Fund Budget Estimates for the year 1895-96, with certain statements showing additional hands, increases, &c., proposed by the Inspector General in his letter, dated 29th October 1895, Camp No. 1.

(2) Letter dated 7th December 1895, No. 3000—138, from the Inspector General of Education, submitting the explanation called for in Proceedings dated 18th November 1895, No. 6115—Ed 160, in regard to certain increases provided in the above Budget.

(3) Letter from the same officer No. 2954—106, dated 6th November 1895.

(4) Letter from the same officer No 3140—118, dated 13th November 1895.

No. 8516-17—Ed. 230, DATED, BANGALORE, 23RD JANUARY 1896.

ORDER THEREON.—The Village School Fund Budget for 1895-96 was sanctioned in Government Proceedings No. 8514-5—Ed. 229, dated 23rd January 1896. The following explanatory remarks are communicated to the Inspector General of Education for his information and guidance.

The estimated receipts under the Village School Fund for 1895-96 are given below as compared with the actuals and sanctioned estimate for the year preceding :—

Items.	Details.	Actuals of 1894-95.	Sanctioned estimate for 1894-95.	Proposed estimate for 1895-96
		Rs.	Rs.	Rs.
I	Twenty-four per cent of local cess ...	2,10,093	2,00,000	2,08,000
II	Schooling fees	3,186	4,000	4,500
III	Examination fees	4,930	5,560	6,500
IV	Interest on investments	12,721	7,000	7,000
V	Contributions from Municipal funds ..	4,078	4,199	4,414
VI	Other items	832	...	...
	Total ...	2,35,840	2,20,759	2,30,414

(2) *I. Twenty four per cent of Local Cess.*—The actuals of 1894-95 under this head amounted to Rs. 2,10,093 but the Inspector General anticipates a decrease of Rs. 2,000, on the ground that the land revenue estimated for 1895-96 is two lakhs less than that of the previous year. It is observed that the estimate under "Land Revenue" as entered in the Civil Budget is Rs. 93,50,000 for the current year, that for the previous year being Rs. 93,90,000. Moreover, the items of revenue which contribute towards this fund are, in the aggregate, estimated at a higher figure than in the previous year as shown in the margin. There is, therefore, no reason to apprehend a great falling off in the receipts. The estimate will, therefore, be raised to Rs. 2,10,000, which nearly corresponds with the actuals of 1894-95.

	Actuals of 1893-94.	Estimates for 1895-96.
	Rs.	Rs.
1. Land Revenue ...	94,40,100	93,50,000
2. Excise ...	30,00,600	31,50,000
3. Sayer ..	3,48,000	3,85,000
	1,27,88,700	1,28,85,000

(3) *II. Schooling Fees.*—Owing to the transfer of certain Anglo-Vernacular Schools to this Budget, more fees are expected during 1895-96 than in the previous years. The proposed estimate is, therefore approved.

(4) ***III. Examination Fees.***—The Inspector General reports that under this head Rs. 6,241 have been already realized and remitted to the Treasury, and that the current year's estimate may be put down at Rs. 6,500. The forecast is accepted.

(5) ***IV. Interest on Investment.***—The actual amount of interest realized in 1894-95 is given as Rs. 12,721, but it is not explained why the estimate for 1895-96 is so low as Rs. 7,000. Pending information on this point the estimate will not be disturbed.

(6) ***V. Contribution.***—The estimate under this head, which is approved, does not include Rs. 90 on account of schools at Alur to be transferred to the State Funds Budget under Government Proceedings, dated 19th November 1894, No. C. 113, but includes Rs. 1,266 on account of the marginally noted items.

	Rs.
(1) Contributions on account of schools in Grama, Sarjapur and Nagar under Proceedings, dated 19th November 1894, No. 113	230
(2) Contributions on account of English classes in Melkote, Birur and Tyamagondlu under Proceedings, dated 2nd March 1894, No. 309-25 ...	196
(3) Grant paid by the Municipality of Mysore to the Normal school	840
Total ...	1,266

(7) The estimated income as now sanctioned comes up to Rs. 2,32,414. Adding to this the balance in favor of the Village School Fund, *viz.*, Rs. 2,61,182, including investment of Rs. 20,000 in Government securities, the sum available for expenditure during 1895-96 amounts to Rs. 4,93,596. Out of this sum, Rs. 2,41,596, as noted in the following statement, is proposed by the Inspector General to be expended, leaving a balance of Rs. 2,52,000 at the end of the year:—

8. *I. Instruction.*—The provision made in the Budget on account of—

1. Anglo-Vernacular Schools,
2. Taluk Branch Schools and
3. Hobli Schools

will be passed, subject to the submission in the accompanying form of a statement showing the establishments and salary of establishments maintained in each school.

9. The provision made for two Anglo-Vernacular Schools proposed to be opened in Nyamti and Sargur, at a cost of Rs. 480, will be retained. But no contribution can be expected from Municipal Funds towards their cost (*vide* Proceedings No. 20267-9—L. F. 252-93, dated 28th May 1894.)

10. The Inspector General proposes to open new Vernacular schools at an aggregate cost of Rs. 7,212. The provision made for the same will be passed subject to a detailed report being submitted for sanction.

11. *II. Grants-in-aid.*—The provision under this head, Rs. 2,400, on account of Village Indigenous schools is stated to have remained unutilized during 1894-95, and the same is repeated in the present Budget, while, according to the detailed estimate furnished, the cost of the schools is given as Rs 2,277-8-0. It is not explained how much of this is on account of Indigenous schools and how much for Night schools. Pending explanation the estimate will be retained.

12. *III. Special Instruction.*—The Inspector General requests a supplemental grant of * Rs. 9,360, for opening three District Normal schools at Kolar, Tumkur and Shimoga. This provision as well as increases, &c., (Rs. 1,764) proposed for the existing Normal school at Mysore will be retained in the Budget; but the amounts should not be utilized till separate orders are passed by Government on the Inspector General's Memo on the subject.

Rs.	
* 3,960	on account of establishments.
5,400	ditto stipends.
9,360	

13. *IV. General.*—The decrease under this head is due to no provision having been made in the present Budget for the special grant of Rs. 13,000, sanctioned in 1894 95 on account of buildings. The Budget provides for Rs. 5,000 for buildings in the current year, while according to the detailed list of works submitted by the Inspector General, the total amount required is given as †Rs. 17,596. As more than six months of the year, to which the Budget relates, have already expired, the Government consider that an estimate of Rs. 4,000 for new works and Rs. 1,670 for minor works, in addition to Rs. 7,330 required for incomplete works and works sanctioned already in 1895-96, would be ample. The estimate will accordingly be entered at Rs. 13,000.

		Rs.
†1.	Incomplete works ...	6,370
2.	Works sanctioned in 1895-96	960
3.	New works required ...	7,266
4.	Minor works	3,000
	Total ...	17,596

14. The increases and new hands proposed at an annual cost of §Rs. 6,304 should form the subject of separate communication, on receipt of which the Inspector General's proposals will be duly considered. As it is of the highest importance that the annual Budgets should be reserved and issued before the commencement of the year to which they relate, no item not previously sanctioned by the Government should be included in the annual Budgets, which should only exhibit correct estimate of the sanctioned scale of establishment and other authorized charges.

		Rs.

	Total ...	6,304

15. Subject to the foregoing remarks the **Budget Estimates of receipts and expenditure under the Village School Fund for 1895-96 will stand as shown in the accompanying appendices, of which an abstract is given below :—**

I. Letter from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, dated 1st August 1895, No. 409, suggesting the appointment of a relieving midwife for each District, excepting Hassan and Kadur, for both of which only one is sufficient.

II. The following replies from Deputy Commissioners of Districts to Government Proceedings No. 2066-74—L. F. 55-93, dated 12th August 1895, requesting their opinion on the suggestion made by the Senior Surgeon :—

9. No. 1642, dated 6th January 1896, from the Senior Surgeon.

No. 8274-83—L. F. 55-93, DATED, BANGALORE, 21ST JANUARY 1896.

ORDER THEREON.—In the letter above quoted, the Senior Surgeon and Sanitary Commissioner suggests the appointment of a relieving midwife in each District, with the exception of Hassan and Kadur, for both of which one is considered sufficient with her head-quarters at Chikmagalur.

2. The Deputy Commissioners of Bangalore, Chitaldrug, Tumkur and Kolar Districts are in favor of the Senior Surgeon's suggestion, and think it an advantage to have a relieving midwife. The Deputy Commissioner of Hassan proposes to have a separate midwife for that District to avoid dual control of two Districts over one midwife. The Deputy Commissioner of Kadur considers that as there is already a superfluity of midwives in his District, the appointment of a relieving midwife is unnecessary at present. The Deputy Commissioners of Mysore and Shimoga are not in favor of the proposal, as they consider that the services of the existing midwives are not fully appreciated by the public, and the necessity for relieving midwives is not yet felt.

3. On a consideration of the foregoing proposal and opinions, the Government think that the Senior Surgeon's proposal may be given effect to, and accordingly sanction the appointment of a relieving midwife for all the Districts in the Province, except Mysore and Shimoga.

4. There are now two extra midwives in Kadur; of these one will be sent as relieving midwife to Hassan.

5. The cost should be debited to the District Fund Budgets of the respective Local Fund Circles.

No. 8346-83—L. F. 76-94, DATED, BANGALORE, 22ND JANUARY 1896.

ORDER THEREON.—In their Proceedings, dated 24th June 1895, No. 23995-24003—L. F. 76-94, the Government requested the Deputy Commissioners of

Districts to report whether in their opinion rent should be collected, and, if so, at what rates, from Government servants and private persons, for the occupation of Musafirkhanas. The papers read above are in reply, and show that the Deputy Commissioners of Bangalore, Mysore and Hassan are absolutely against the proposal to levy fees, while the remaining Deputy Commissioners recommend the introduction of fees under certain conditions.

2. After a careful consideration of the above opinions Government are of opinion that the levy of fees for the occupation of Musafirkhanas is undesirable as being opposed to existing custom and public sentiment.

3. A system of partial levy from particular individuals or classes, or with reference to the duration of halts, would either prove uneconomical or put undesirable power to harass travellers in the hands of the care-takers of Musafirkhanas. Government are, therefore, not prepared, at present, to introduce any system of levy of fees in respect of Musafirkhanas.

4. When Government officials have occasion to use Musafirkhanas in the course of their official tours, their stay should, as a rule, not exceed three days at a time, and the Deputy Commissioner's special permission should be obtained for halts exceeding three days. In any case, the accommodation taken up by a public servant should be restricted to a small portion of the building, so as to minimise, as far as possible, inconvenience to the travelling public.

Has the honor to submit the explanation called for in the above.

Docket No. 14, dated 9th January 1896, from the Executive Engineer, Chitaldrug Division, to the Deputy Commissioner, Chitaldrug District.

His No. 283—101, dated 3rd instant.

Has the honor to state that the undersigned was not informed of the meetings held in the months of October and December. The undersigned remembers to have expressed (in a D. O. to the Deputy Commissioner) his inability to attend the meeting convened in the month of October as he happened to be at Harihar on that date.

Observes that any date between the 28th of one month and 2nd of the succeeding month would be more convenient for Public Works Executive Officers to attend such meetings without prejudice to their own out-door works.

No. 8825—L. F. 32-95, DATED, BANGALORE, 30TH JANUARY 1896.

ORDER THEREON.—The Deputy Commissioner should cause proper notice of intended meetings to be given to the Executive Engineer and in fixing the dates, the convenience of the Public Works Officers should be consulted as far as possible..

Letter dated 2nd January 1896, Camp No. 3, from the Chief Engineer of Mysore.

With reference to Proceedings Nos. 1967-8—L. F. 50-94 and 4887-8—L. F. 50-94 of 9th August and 30th October 1895, respectively, I have the honor to forward the accompanying plans and estimates for 1st, 2nd and 3rd Class Musafirkhanas, and to request that you will be so good as to obtain the approval of Government thereto. The plans have been designed in accordance with the suggestions advanced by Deputy Commissioners, to whom they were sent for opinion as to their suitability, &c.; so far as such opinions did not clash with each other, and if they are approved by Government, they will be lithographed and circulated to all Deputy Commissioners for adoption in future

2. I need hardly say that standard plans of this kind would save my office a large amount of extra work in dealing with projects for Musafirkhanas.

3. The plan received with Proceedings No: 4887-8—L. F. 50-94, dated 30th October 1895. is herewith returned.

No. 8204-13—L. F. 50-94, DATED, BANGALORE, 20TH JANUARY 1896.

ORDER THEREON.—The standard plans which have met with the general concurrence of Deputy Commissioners of Districts are approved, and the Local Fund Board concerned will in each case be consulted as to whether a Musafirkhana proposed should be of the 1st, 2nd or 3rd Class according to the importance of the station and its requirements.

2 The Chief Engineer is requested to be good enough to have the plans lithographed and circulated to all Deputy Commissioners as proposed in his letter read above.

Docket dated 26th November 1895, No. 2056—535, from the Deputy Commissioner of the Kolar District, submitting a supplemental Budget of the District Funds of the Kolar Circle for 1895-96.

No. 8461-4—L. F. 144-94, DATED, BANGALORE, 23RD JANUARY 1896.

ORDER THEREON.—The modifications proposed in the sanctioned estimates for 1895-96 are given below :—

		Rs.
A.	Public Works to be executed by P. W D.—	
(1)	Bridging Peresandra-Goribidnur road	1,126
(2)	Repairing three third class Travellers' Bangalos	715
(3)	Repairs to certain roads	2.911
(4)	Reserve grant to meet the cost of urgent works that may be sanctioned during the remaining part of the official year ...	1,000
	Total ...	5,752
	Deduct the reduction proposed to be made under the head "Reserve"	361
	Net Total Increase ...	5.391
B.	Public Works to be executed by Revenue Department—	
(1)	Cost of incomplete works sanctioned in Proceedings, dated 28th October 1895, No. 4676-7—L. F. 144-94	16.798
(2)	Musafirkhanas in five different villages	4,749
(3)	Cost of works sanctioned in 1891-92 and paid from Relief Funds but requiring adjustment during 1895-96	461½
(4)	Reserve grant to meet the cost of urgent works which may be undertaken during the remaining part of the year ...	1,000
	Total B. Public Works ...	23,008½
C.	Civil Charges—	
V.	Sweeper for Musafirkhana—	
(1)	Caretaker for the Hajee Ismail Sait's Chattram for 8 months @ Rs. 8 per mensem	64
(2)	Ditto Thadegollu Musafirkhana for 8 months at Rs. 4 ...	32
X.	Miscellaneous—lighting charges to Musafirkhanas	200
	Total ..	296

The above supplemental grants proposed by the Deputy Commissioner are sanctioned with the exception of the items noticed below.

2. As there is a reserve of Rs. 6,378 and Rs. 2,000, respectively, under "Public Works to be executed by Public Works Department" and "Public Works to be executed by Revenue Department," a special reserve of Rs. 1,000 for urgent works seems unnecessary and will be disallowed. The reduction of Rs. 361 proposed under "Reserve" for Public Works to be executed by Public Works Department, cannot be sanctioned.

3. The construction of Musafirkhanas, for which a provision of Rs. 4,679 is made in the supplemental Budget under review, must lie over, pending the adoption of a standard plan for such structure. The provision will however be retained in the Budget. It is noted that the correct total of the fresh grants under A. Public Works now proposed is Rs. 23,008 and not Rs. 24,008 as entered in the abstract statement furnished by the Deputy Commissioner. The correct figure will be adopted in the Budget.

4. The provision of Rs. 200 newly made in the present Budget for meeting lighting charges in the existing Musafirkhanas will be retained, but no expenditure should be incurred therefrom till the general question of lighting Musafirkhanas (which is now under consideration) is disposed of.

5. Subject to the foregoing remarks, the District Fund Budget Estimates of the Kolar Circle for 1895-96 as now revised, will stand as given below:—

Proceedings of the Government of Mysore,

READ :—

Letter dated 29th November 1895, No. 107, from the Deputy Commissioner, Kadur District,

With reference to Chief Secretary's Official Memo No. Pct. 1136, dated 8th—23rd January 1891, requesting to acquire the lands required for the extension of the Chikmagalur town on payment of compensation, Government advancing the amount which will be re-paid after selling the sites. I have the honor to report as follows *in re* the acquirement of lands, and to request that sanction may kindly be accorded for the amount paid as compensation.

2. The lands required were acquired under Government Proceedings No. 19842—L. F. 257-92, dated 19th May 1894.

No.	Detail.	Muhammadans	Balijas.	Sadhus.	Vaisya.	Marvadi.	Others.	Total.	Remarks.

2	Number of sites sold ...	104	27	24	...	12	1	174	
3	Number of sites remaining unsold.	16	27	24	27	9	152	249	
4	Amount recovered by the sale of sites and credited to Treasury before June last under Municipal Funds.	6,182	2,610	1,876	...	950	80	11,748	

3. The lands thus acquired were divided into 423 sites which were allotted to the several classes of the community. The statement noted in the margin shows the number of sites now sold, the amounts realized by their sale, and the number remaining to be sold.

4. Rupees 5,880 were drawn as advance and paid to the owners, &c., of lands after due enquiry into claims, as will be seen from the enclosed Statement. As the Comptroller requested that the amount advanced may be adjusted before June last and as already 174 sites had been sold for Rs. 11,748 and credited to Municipal Funds, the amount of advance was adjusted before the close of the official year from the provision of Rs. 8,000 sanctioned in the Budget of 1894-95 under "VIII. Public Works (*m*) Compensation." Copies of correspondence ending with the Comptroller's docket No. 615, dated 18th October, objecting to accept Government Proceedings No. 19842—L. F. 257-92, dated 19th May 1895, as the authority for the payment of the amount is enclosed for reference.

Docket No. 568, dated 25th April 1894, from the Deputy Commissioner, Kadur District, to the Chief Secretary to the Government of Mysore.

Has the honor to submit herewith for approval and publication in the Mysore Gazette, a declaration regarding the acquisition of 81 acres and 29 guntas of land assessed at Rs. 473-12-0 required by the Chikmagalur Town Municipality for the purposes of the Western Extension of the town of Chikmagalur.

The total amount of compensation payable for the lands required amounts to Rs. 5,880 which the Municipality has agreed to pay.

Docket dated 25th April 1894, No. 568, from the Deputy Commissioner of Kadur, forwarding for approval and transmission to the Compiler, Mysore Gazette, for publication in three successive issues of the Gazette, a declaration under Land Acquisition Act for the acquisition of certain lands in the Chikmagalur Municipality on account of the Western Extension of the town.

ORDER THEREON.—The declaration received with the docket read above will be forwarded to the Compiler for publication in the Gazette.

Docket No. 615--L. F. dated 18th October 1895, from the Comptroller to the Deputy Commissioner Kadur District

In reply to his No. 62—Muni., dated 15th October 1895, has the honor to observe that the copy of the Government Proceedings No. 19842—L. F. 257-92, dated 19th May 1894, forwarded with the above as the authority for the expenditure of Rs. 5,555 as compensation for lands acquired for the Western Extension of the Chikmagalur town, cannot be accepted by this office, as it only directs that the declaration, under the Land Acquisition Act forwarded with his No. 568, be forwarded to the Compiler, Mysore Gazette, for publication.

No. 7490-1—L. F. 113-93, DATED, BANGALORE, 6TH JANUARY 1896.

ORDER THEREON.—The Government agree with the Comptroller in considering that Proceedings No. 19842 -L. F. 257-92, dated 19th May 1894, which merely directed the publication of the declaration for the acquisition of certain lands was no authority for the re-payment of the advance of Rs. 5,880 taken from Provincial Funds for the acquisition of lands on account of the extension of the town of Chikmagalur The adjustment of the advance made by the Deputy Commissioner from the sum of Rs. 8,000 provided in the Municipal Budget of Chikmagalur for 1894-95, under the head "VIII. Public Works (*m*) Compensation" is, under the circumstances now explained, sanctioned.

Letter dated 17th December 1895, No. 78, from the Assistant Government Advocate.

With reference to Government Proceedings No. 4639—L. F. 4-95, dated 25th October 1895, I have the honor to state that under Section 161 of the Municipal Regulation No. III of 1888, all public tanks shall be vested in, and belong to, the Commissioners. The removal of any of the contents of the tank without the permission or consent of the Commissioners is theft under Section 379, Indian Penal Code. Under Section 225 of the Municipal Regulation, it will be lawful to the Commissioners to make Bye-laws for carrying out any of the purposes of these Regulations and penalty for any infringement of such law is provided for. Fishing in Mysore tank is strictly prohibited as per Order No. 40, dated, Camp Mysore, 30th November 1894, and the Mysore Bye-law No. 64, which is as follows —

"Fishing in the public tanks and wells within the Municipal limits, without a license from "the President, is strictly prohibited Any one infringing the Bye-laws shall be liable to a fine "not exceeding Re. 1 for the first offence, and Rs 2 for each subsequent offence.'

The Chief Court in Revision Case No 150 of 1894-95 has, in my humble opinion, erred in quashing the conviction of Putta, accused in Criminal Case No. 310 of 1894-95, on the file of the City Magistrate of Mysore. The decision was passed on the strength of a case reported in page 390, I. L. R. V., Madras This case is distinguishable from the case in question. The conviction in the Madras case was for the wrongful taking of fish from a creek, which decision referred to the Proceedings of the Judicature of the High Court of Madras, dated 23rd October 1878, No. 1759 and 7331, by which the conviction and sentences for catching fish in the ordinary open irrigation tanks was quashed. In these cases the creek and open irrigation tanks were not vested in the Municipal Commissioners as in this case for the purpose of conservancy, and therefore the decisions in these cases do not apply to the case in question.

I had no notice from the Chief Court in the said Revision Case. If a similar question arises, and if I get a notice from the Chief Court, or if I am informed by the District Magistrate that the Proceedings are sent for by the Chief Court, I shall support the convictions for reasons above stated.

The file of papers received with the above is herewith returned.

No. 7535-43—L. F. 4-95, DATED, BANGALORE, 7TH JANUARY 1896.

ORDER THEREON.—The letter read above will be communicated to the Deputy Commissioners of Districts.

2. If a similar question arises the President of the Mysore City Municipality should instruct the Assistant Government Advocate to support the conviction.

Letter from the Deputy Commissioner, Shimoga District, dated 9th December 1895, No. 636—87.

With reference to para 10 of the Government Proceedings No. 832-6—L. F. 170-94 of the 15th July last, I have the honor to state that while consulting the Amildars as Vice-Presidents and Members of the several Municipal Boards, they strongly recommend that the additional hands proposed to be employed and the increases recommended to be given to some existing hands are necessary.

The Amildar of Shikarpur and the Members of the Siralkoppa town state that the employment of two additional sweepers is not necessary for the present.

The Amildar of Shimoga and the Members of the Benkipur and Holehonnur Municipalities recommend that the pay of the peons proposed to be employed in their towns may be sanctioned at Rs. 6 per mensem instead of Rs. 5 as the sweepers also get a similar pay.

With regard to para 15, I beg to state that the sum of Rs. 1,000 is provided with the idea of getting wire-fence to the circular flower-bed in the Maharaja's Park at Shimoga and to complete the drawing well taken on hand during the last year.

Under these circumstances, I request that sanction of Government may be accorded for the several items including the increase of pay to two peons and a Dafadar in the Shimoga town referred to in the Proceedings under reply.

No. 7859-60—L. F. 170-94, DATED BANGALORE, 15TH JANUARY 1896.

ORDER THEREON.—The employment of the additional hands proposed to be entertained and the increases recommended to others, which are shown in the margin, are sanctioned with effect from 1st February 1896.

Government of India Resolution Circular No. 6—3-19, Met., dated the 29th August 1890, on the subject of the improvement of the present system of Rainfall Registration throughout India.

No. 5934-42—R. 2315, DATED BANGALORE, 7TH JANUARY 1896.

ORDER THEREON.—The monthly Rainfall Return at present rendered to the Meteorological Reporter to the Government of India consists of 41 columns (*vide* sample Form attached). In preparing the return columns 40 and 41 are now omitted as it is optional with Local Governments either to give the necessary information or leave the columns blank. These two columns are intended to show the rainfall within fixed periods chosen at the discretion of Local Governments as it has been found impracticable to make a division of the year which would be satisfactory for the whole of India. In this Province, subject as it is to the influence of the South-west and the North-east Monsoons, there are generally two crop seasons known as "Mungar" and "Hingar" or "Karu" and "Hynu," and the year can well be divided into two divisions for the purpose of rainfall registration. With a view to mark these divisions Deputy Commissioners are requested to report how they would divide the year so as to make the average rainfall in any half year indicate the condition of the agricultural season of that half year. When the periods are thus finally fixed, the total and the average rainfall of the relative period can easily be inserted in the columns provided therefor and the return rendered complete.

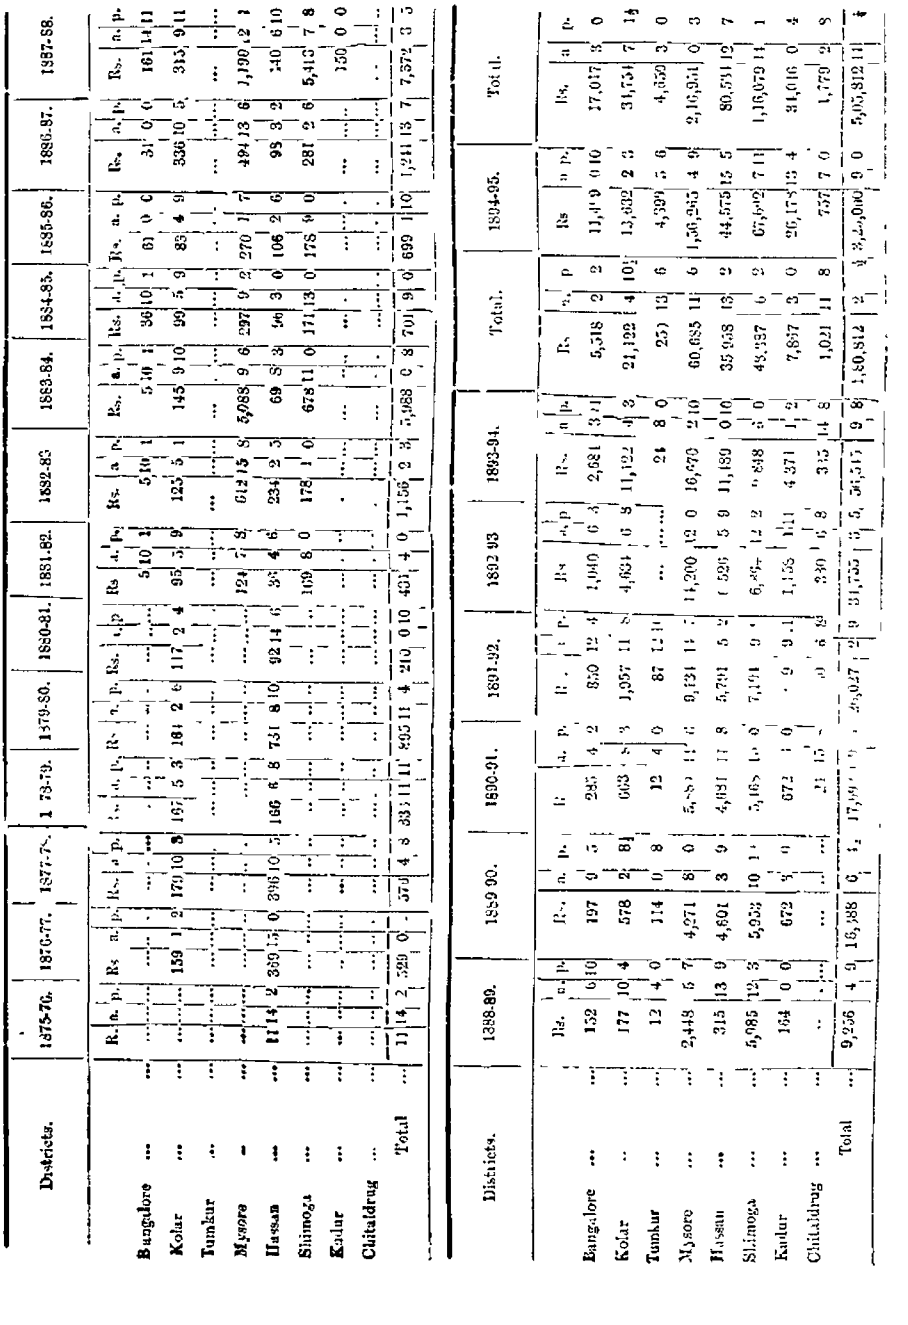
2. The net Land Revenue demand for the years 1893-94 and 1894-95 was as follows;—

Districts.	Amount. 1893-94.	1894-95.
Bangalore	12,00 205	11,93,791
Kolar	12,82,620	12,98,174
Tumkur	12,63,157	12,51,509
Mysore	16,99,187	17,40,162
Hassan	11,80,692	12,46,871
Shimoga	13,22,899	13,27,550
Kadur	8,67,984	8,64,870
Chitaldrug	6,57,623	6,62,779
Total ...	94,74,367	95,86,306

3. It will be observed from the figures given in Table A above that the uncollected arrears of Land Revenue especially in the Hassan and Shimoga Districts at the end of June 1895, were heavier than they were at the end of June 1894. In the Hassan District, the increase of balance is accounted for by an increase in demand. In the Shimoga District, the increase in balance is out of proportion to the increase in demand. The balance in the Mysore District at the end of the year 1894-95 was the heaviest, being over two lakhs of rupees. The Salvar details of balance at the end of June 1895 in the several Districts were as shown in the Statement given below and range from the year 1875-76 to 1894-95. These old arrears should either be promptly collected or recommended for remission. In the returns of the Hassan District, small balances are shown for the years 1875-76 to 1878-79, while, as per return for June 1894, there were no such balances for any of the years previous to 1879-80. This discrepancy requires explanation.

B. Statement showing the Salvar details of Land Revenue Balance for the year 1894-95.



4. The total Demand and Collection for the year 1894-95 as per monthly returns under the heads, Land Revenue, Mohatarfa and Miscellaneous, do not tally with the figures given in the annual returns submitted by the Deputy Commissioners, there being no difference in the balance at the close of the year. The discrepancies are exhibited in Table C hereunder given. As the returns for the month of June are submitted after the annual accounts are rendered to this office, there is no reason why such discrepancies should occur. While preparing the return for the month of June, the total Demand and Collection shown in the returns for the previous 11 months should be added together and only such amounts as would, with the total for the said 11 months, make up the aggregate amount for the whole year as per annual accounts, should be included. If the Demand already shown in the returns of the previous 11 months exceed the total for the whole year, the actual excess should be deducted from the opening balance for the month of June, and such deductions, together with any transfers of amounts from one head to another, should be clearly explained in the column of remarks, so that the figures in the monthly and the annual accounts may always tally, instead of differing from each other as has been the case in the year under notice.

5. It is unsatisfactory to note that in spite of the clear instructions issued in Government Proceedings No. 1167-74—R. 413, dated 25th July 1895, no details of the balance of Land Revenue under the heads indicated on the margin have been furnished in the returns received from any of the Districts other than Shimoga. Such omissions should not recur in future.

1. Balance included in the remission statements pending sanction of Government.
2. Balance whose recovery has been postponed by Order of Government.
3. Balance of Kandayam due on lands taken up for mining purposes.
4. Balance on account of Inam villages under Government management.

Proceedings of Government No. 24973—R. 3701, dated 26th June 1895, *in re* public servants acquiring lands in Mysore.

No. 6289-323—R. 2424, DATED BANGALORE, 12TH JANUARY 1896.

ORDER THEREON.—The Rules of 29th May 1863 published at pages 202 and 203 of the Revenue Manual and Rule IX of the Rules framed under the Land Revenue Code contain provisions regarding the acquisition of lands by public servants. They do not absolutely prohibit an officer from acquiring landed property by reason merely of such property being situate within the limits of his jurisdiction, but they prohibit an officer acquiring land from taking a direct part in the cultivation of the same. With the object of giving practical effect to the last mentioned prohibition, the Order of Government above read, of 26th June 1895 was issued. With a view to restrict this Order to the requirements of the object in view the Government resolve to modify it as follows :—

"Order—Government observe that in an agricultural country like Mysore, "with a service drawn from the people of the country, the rules ought not uncondi- "tionally to restrict a public servant from acquiring lands.

"2 The policy of the Durbar is to permit Government servants to acquire "lands when such acquisition is perfectly above board and the lands are outside "the jurisdiction of the officer acquiring, or, if within his jurisdiction, they are old "cultivated lands held by tenants paying a stipulated rent in kind or cash, and as "such not requiring any portion of the officer's personal attention for their cultiva- "tion. The policy should be the same in all Government Departments. Every "case of proposed acquisition will of course be scrutinized and sanction refused if "any use of official position now or hereafter is to be apprehended, but no public "official must be placed under a disability to acquire lands."

No. 6267-74—R. 2416, DATED BANGALORE, 13TH JANUARY 1896.

ORDER THEREON.—The accompanying statement compiled in this office shows how the District jamabandi work in the several Districts is proposed to be distributed between the Deputy Commissioners and their several Assistants.

2. The attention of the Deputy Commissioner of Kadur is drawn to the fact that he has allotted no jamabandi work whatever to his General Assistant Commissioner, while he has given two Taluks to his Treasury Assistant Commissioner. The Mysore Deputy Commissioner has, it is hoped, satisfied himself that the Sub-Division Officer of French Rocks will himself be able to do the jamabandi of all the Taluks of his Sub-Division efficiently.

3. It is observed that none of the Deputy Commissioners, except that of Kadur, gives the probable date by which the jamabandi work is likely to be completed.

4. The Government hope that all the Deputy Commissioners will arrange for completing the District jamabandi work as early as possible and submit the return of estimated jamabandi on the date prescribed in Government Proceedings No. 16445-52—R. F. 2-92, dated 5th April 1893.

Government Proceedings No. 10696-7—1260 dated 30th December 1891, sanctioning the recommendation of the Director of Statistics and Agriculture, regarding experimental treatment of cattle diseases with English medicines and authorizing the purchase of medicines and instruments at a cost of Rs. 1,200.

READ :—

Letter No. 561—52, dated 9th September 1895, from the Inspector General of Forests and Plantations in Mysore, reporting on the results of the experimental treatment sanctioned in the Government Order quoted above.

With reference to Government Proceedings No. 10696-7—1266, dated the 30th December 1891, sanctioning Rs. 1,200 for the purchase of medicines and instruments for the treatment of cattle, and directing that the results of the experiment should be reported for the information of the Government, I have the honor to report as follows :—

2. Out of the sanctioned amount, Rs. 500 was placed at the disposal of Sub-Assistant Conservator (then Forest Probationer) Mr Shamaiengar who was entrusted with the work of the experimental treatment of cattle. Out of the above amount, Rs. 140-9-0 worth of instruments were purchased, Rs. 209-12-9 were spent for medicines, &c., and Rs. 149-11-0 were refunded to the Seringapatam Taluk Treasury on the 23rd June last as reported in the District Forest Officer's docket No. 82, dated 8th ultimo. The number of cattle treated as reported was 283, of which 199 or 70 per cent were cured. The above figures do not, however, represent the total number of cattle treated, as Mr. Shamaiengar reports that from July 1893 to February 1894 only medicine balls and packets were supplied to those that asked for them to keep and use when the disease breaks out. Mr. Shamaiengar further reports that he treated no cattle personally, but all that was done was to supply medicines with the instructions for administering the same and to ascertain and record results. Under this mode of experiment scarcely actual results could have been reported or recorded. A copy of Government Proceedings above referred to had been communicated to the Deputy Commissioner who, I presume, must have furnished copy of same to Mr. Shamaiengar for guidance. I submit herewith copy of Mr. Shamaiengar's report No. 439, dated 3rd December 1894, received through the Deputy Commissioner, and observe that I am inclined to think that Mr. Shamaiengar only took up the matter to attract notice and that he took but little interest in it as apparent from his report; and that I much doubt whether his pretensions to treat cattle diseases are based on satisfactory grounds.

3. The unutilised medicines as well as instruments bought for the purpose made over by Mr. Shamaiengar on his transfer to Chitaldrug, have been ordered to be kept with the District Forest Officer, Mysore, till the subject of appointment of a Veterinarian is settled.

Mr. Shamaiengar's report No 439, dated 3rd December 1894.

With reference to your Memo No. 320, dated 24th October 1894, forwarding Inspector General's docket No. 1254—99, dated 15th October, calling for a report on the experimental treatment of cattle, I have the honor to state as follows—

2. In regard to para 1. of the docket under reply, I beg to state that the number of cattle treated from July 1893 to February 1894, has not been given in the list submitted, the reason being that only medicine balls and packets were distributed to those that demanded the same to be kept with them for ready application when the disease breaks out. No outbreak of disease seems to have taken place during the period under enquiry, and hence the quantity of medicine only distributed to cattle owners has been noted in the return. The total number of "balls and packets" distributed to people was 135 in all.

3. With reference to para 2 of Inspector General's docket, I beg to state that the accounts to be adjusted and passed on to the Comptroller tally with those of mine, and the cash balance to be accounted for by me till the end of February 1894 is Rs. 153-13-0, and deducting cart-hire charges now to be billed, the balance at my credit is only Rs. 150-5-0.

4. As to the detailed report called for in para 3 of the said docket, I beg to state that I have been reporting the result for treatment from time to time and as well as in continuation of my No. 729, dated 12th April 1893 referred to in the docket, and no separate account has been kept to show the treatment of cattle "*Talukwar.*" The distribution of medicine took place mostly in the Hunsur Taluk and partly in the Taluks of Yedatore and Krishnarajpete as shown in the margin and the result of the treatment has not yet been reported, though reminders have been sent for the same. As regards the number of cattle treated and cured by me and my subordinates, I beg to report that no cattle was treated under direct management. On the personal requisition of the party, medicine balls and packets were *freely distributed* with full directions for administering the same; and I was also making personal inspection of cattle in disease when desired by cattle owners. The result after treatment was being ascertained and

No. 6920—R. 2693, DATED BANGALORE, 29TH JANUARY 1896.

ORDER THEREON.—From the Inspector General's report read above, it is clear that Mr. Shamaiengar, to whom the work of carrying on the experimental treatment contemplated, was entrusted, hardly took any interest in the matter beyond supplying medicines with instructions and recording the results reported. He treated no cattle personally as he ought to have done. Thus, the report of work done is unsatisfactory, and this opinion of Government must be communicated to Mr. Shamaiengar.

Revenue Secretary.

No. 6901-9—R. 2691, DATED BANGALORE, 28TH JANUARY 1896.

ORDER THEREON.—With a view to secure uniformity and correctness in the preparation of the Tables of Agricultural Statistics, and in pursuance of the orders recently received from the Government of India, the following instructions are issued for future guidance.

2. *Table A I.*—The total area of each taluk as per appended list, received from the Superintendent of Revenue Survey, should be shown in column 1 (area according to professional survey). In column 2 *b*, (area for which no returns exist) the entire area of jodi, kayamgutta and sarvamanyam villages and jahgirs should be entered; column 2 *a* (feudatory states) should be left blank. Column 3 (net area by professional survey) should represent the difference between columns 1 and 2 *b*. The figures in column 3 should be repeated in column 4 (corresponding area by village papers) which should, of course, include the areas of State Forests and Plantations separately mapped.

3. *Table A II.*—Under the head "Forests," (column 1), the extent of village and District Forests and of State Forests and Plantations separately mapped (as ascertained from the Forest Department) should be exhibited, the details of such State Forests and Plantations being invariably noted at foot of the return. Column 2 (not available for cultivation) should show the area of all *unassessed* lands *minus* the extent of forests as entered in column 1. In column 3 (culturable waste other than fallow) the area of unoccupied assessed lands should be exhibited. Column 4 (current fallows) should show the uncultivated portion of Government occupied lands and of minor inams in Government villages, the actually cropped area of such lands being entered under column 5 (net area cropped during the year). Thus the total of columns 1 to 5 should tally with the figure in column 4 of Table *A I*. In column 6 (irrigated during the year from—) the actual area cropped by irrigation (not the entire occupied area or the area cropped more than once) should be shown with details of sources of irrigation. Column 7 (crops irrigated) should exhibit particulars of irrigated area under different crops. In entering details under sub-heads *A* to *D* the area cropped more than once should also be taken into account.

4. *Table A III.*—As regards the correct entries to be made in this Table, the instructions contained in para 4 of Circular Memorandum No. 6916-23—Cir. 121, dated 16th September 1891, should be followed.

5. *Table A IV.*—In this Table the number of live-stock, &c., of all Government villages and Municipalities should be entered.

6. *Table B.*—In entering figures in this Table, attention should be paid to the footnotes printed in the forms already supplied. The average wholesale prices to be entered in columns 2 to 17 should be the average prices ruling during the season when the particular commodity comes into the market and the wholesale trade in it is active. A list of marts selected, and of the dates on which the prices are ascertained, should invariably accompany future returns, a mere reference to such lists forwarded during the previous years being insufficient.

7. *Table C.*—In column 2, (total area by survey less feudatories) the gross area as entered in column 1 of Table *A I* should be exhibited Column 3 *a* (area not fully assessed) should represent the area of inam and kayamgutta villages and jahgirs (column 2 *b* of Form *A I*) as also of unoccupied assessed waste (column 3 of *A II*). Column 3 *b* (area for which returns, &c, are not available) should exhibit the extent of forests (column 1 of *A II*) and unculturable waste (column 2 of *A II*). The total area of Government occupied lands *plus* minor inams in Government villages should be entered in column 4*a* (balance *total*, *i. e.*, fully assessed area) the actually cropped area (column 5 of *A II*) being shown in column

4*b* (balance, *cultivated*, *i. e.*, fully assessed area). The *total* land revenue demand, inclusive of miscellaneous land revenue but exclusive of remissions under defined rules deducted in the Nagadiyat return and of Irrigation Cess merged in assessment of Government lands as shown in the list appended to Government Proceedings No. 1747-57—R. 212, dated 30th July 1894, should be entered in column 5 "total land revenue (excluding cesses) of District". Columns 6, 11 and 14 should exhibit the population as per list appended to para 6 of Government Proceedings No. 331-9—Cir. 5, dated 6th April 1892. In column 8, (land revenue assessed on fully assessed area) the total *raiyatwar* demand (exclusive of merged Irrigation Cess and remissions under defined rules) *plus* the quit-rent or jodi on minor inams in Government villages should alone be entered.

8. *Table B.*—The particulars relating to *all* Government occupied lands (raiyatwar) should, hereafter, be entered against heading No. 5 "Peasant proprietors paying separately", no entry being called for against headings Nos. 1 to 4. Similarly, details of whole inam and kayamgutta villages and jahgirs, as also of minor inam lands in Government villages, should be exhibited against heading No 6 "Holders of wholly or partially revenue-free tenures" with particulars under the sub-heads, "In perpetuity" and "For life or lives." Headings 7, 8 and 9 should be left blank. The entries under column 5 "Gross area" against headings Nos. 5 and 6, should respectively represent the total areas of raiyatwari lands and of whole inam and kayamgutta villages and jahgirs and of minor inams in Government villages. The average assessment to be entered under column 7 against the above headings should be calculated with reference to the *gross* assessment of raiyatwari lands and the quit-rent, jodi or gutta amount *due* to Government from whole inam and kayamgutta villages and from minor inams comprised in Government villages.

9. *Table E.*—Transfers of Government raiyatwari lands and of whole inam and kayamgutta villages and minor inams should be separately given under columns 2 to 5.

10. It is hoped that future returns will be prepared with due care and in conformity with the above instructions as well as the footnotes given in the Tables themselves, and submitted to Government on or before the date fixed, *viz.* 15th August of each year. Deputy Commissioners are requested to issue clear instructions to the Amildars on whose returns the District abstracts are based.

EXCISE.

Proceedings of the Government of Mysore,

READ:—

Statements of Demand, Collection and Balance, under the head "Abkari" for the 12 months ending 30th June 1895, received from the Excise Commissioner.

No. 6140-8—Ex. 192, DATED BANGALORE, 9TH JANUARY 1896.

ORDER THEREON.—The subjoined Statement A exhibits the Demand, Collection and Balance under the head "Abkari" for the 12 months ending 30th June 1895, as compared with the figures for the corresponding 12 months of the previous year 1893-94. Excluding the arrears at the beginning of the year, the net demand for 1894-95 was Rs. 31,76,268, being Rs. 1,86,607 more than the net demand for the previous year. The increased noticed was due to increased revenue under the principal heads "Arrack" and "Toddy" as noted in the margin. This fact accounts for the increase under the head Collection also. Of the total balance of Rs. 1,21,381 outstanding at the end of June 1895, Rs. 66,990 relate to the years previous to 1894-95 and range from the year 1883-84 as per particulars given in Statement B attached.

2. As shown in the margin, the total Demand, Collection and Balance for the whole Province as per monthly returns under review, do not quite correspond with the figures given in the annual return submitted by the Excise Commissioner. Such discrepancies should not occur in future.

FORESTS.

Proceedings of the Government of Mysore.

READ:—

Correspondence ending with Memo, dated 22nd November 1895, from the Inspector General of Forests, and a Note by the present Conservator of Forests, dated 13th December 1895.

No. 6075-83—Ft. F. 105-95, DATED BANGALORE, 8TH JANUARY 1896.

ORDER THEREON.—The correspondence read above relates to the proposed amendment in certain respects of the Rules, dated 9th December 1892, as modified by Government Proceedings No. 5822—R. F. 226-92, dated 25th September 1893, defining more fully the privileges of raiyats to take wood and other articles of forest produce from District or Government unreserved forests in the Districts of Shimoga, Kadur and Hassan.

2. The term "raiyat," as at present defined in Rule 3, includes tenants of Pattadars, minor Inamdars, and their co holders, and admits of two or more persons who pay Government but one tax, claiming separately the privileges accorded by the Rules. To prevent this, it is proposed to add to the definition the following:—"Such tenants will be entitled to get wood or bamboos in conjunction with their Pattadar, minor Inamdar, or co-holder within the limits prescribed in para 10 of the Rules."

3. The existing Rule 8 apparently restricts raiyats to exercise their privileges within the forests situate within their own villages. It is, therefore, proposed to add after the word "attached" the words "or has been assigned," so as to admit of raiyats, who have no jungle in their own village, taking wood from the jungle of another village which has been assigned to them. Mr. Hicketts views with considerable apprehension the proposed assignment; but, as pointed out by the present Conservator of Forests, it does not follow that because a village has no forest, it is necessary to assign one and create privileges which either never existed or had ceased to exist through the disappearance of the forest by the spread of cultivation or other causes. It is only where necessity exists, and it is possible to make the concession without prejudice to the requirements of the raiyats of the village in which the jungle is situate, that such assignment can be made, in which case the area should be carefully selected, defined, and demarcated by a responsible officer, after hearing objections, if any, on the part of the villagers in the immediate vicinity. Colonel Walker very properly points out that forest privileges, as a rule, exist or are granted to make up for disadvantages consequent on the situation of villages in or near forest areas, such as remoteness from markets, bad roads, malaria, danger from wild beasts, and rough and defective methods of cultivation, and should not be readily granted to others more favorably circumstanced in the above and other respects. It will, however, be clearly understood that in all cases, whether the jungles in which raiyats' privileges may be exercised, existed or have been assigned, if it be found that they are denuded, no fresh assignments will be made. The foregoing observations should be borne in mind in giving effect to Rule 8 as now amended.

4. To regulate the procedure to be observed in applying for a license when the assigned forest is situate in another Taluk, it is proposed to substitute for Rule 12 the following:—

"Any raiyat wishing to obtain wood or bamboos under Rule 8 should apply to the Amildar of the Taluk in whose limits the forest from which he is entitled to cut the same under that Rule, is situate."

This modification is necessary to prevent abuse of the privilege and to save needless delay.

5. The other modifications proposed are not so very important as to call for any special remarks. They are noted below:—

(*a*) In para 13 of the Rules after the words "no refund shall be made for unutilized licenses" add "nor shall fresh licenses be issued in lieu thereof."

(*b*) In para 15 A, insert "have" after "and" and before the words "the same notified in the Gazette."

(*c*) In Appendix A, after the words "Chittur Shigga" add "and those villages in the Andige, Tavanandi and Udri maganis which are included in Notification No. 281, dated 6th October 1891"; after the words "Shikarpur Taluk" add "and the villages in the Danivasa, Konanad, Gajanur, Kumsi, Lakvalli, Chordi and Aiynur maganies which are included in Notification No. 280, dated 30th September 1891"; and after the words "Linganahalli maganis" add "and Hirekolale, Chik-kolale, and Arlaguppé villages in the Chikmagalur magani."

6. Government approve of the above modifications and direct that the following Notification containing the Rules, as now revised, be published for general information.

C. SREENIVASIENGAR,
Revenue Secretary.

To—The Conservator of Forests in Mysore
The Deputy Commissioners of Districts.

Notification by the Government of Mysore.

FOREST.

NOTIFICATION.

No. 6084—Ft. F. 105-95, DATED 8TH JANUARY 1896.

The following revised Rules framed under Sections 23,24,25 and 26 of the Forest Rules of 1878, defining more fully the privileges of raiyats to take wood and other articles of forest produce from District or Government unreserved forests, have been, pending the revision of Forests Rules, sanctioned by the Government of Mysore for the Districts of *Shimoga*, *Kadur* and *Hassan*, and are published for general information. These rules do not apply to coffee planters :—

1. The privileges granted in the rules to raiyats will be exercised by them within the limits of Village Forests wherever specifically assigned and when Village Forests have not been so assigned, within the limits of District Forests or portions thereof which may be set apart for the purpose.

2. No trees bearing forest produce, such as cinnamon, or yellaga, tamarind, alalekayi, kachu, geru, gamboji, antavala, manda or maddidhupa and halmaddi, &c., shall be felled under these rules, either in the Village or District Forests.

In the Village and District Forests, sandalwood, teak, bité or blackwood, ebony, poon, karachi and jalari, will be entirely at the disposal of the Forest Department. Raiyats as well as traders will have to pay for this description of wood on the terms and at the rates prescribed by the Forest Department.

3. "Classified trees of the 1st Class" shall mean halasu, hebbalasu, mathi, honné, nandi, and ippé.

"Classified trees of the 2nd Class" shall mean hunal, jambi, masi, hettiga or arsintyaga, bilavara, tadasalu, kendal, bagi, hadaga, nanja or bakula, sampigé, vaté, balgi, haladi or haralbandige and sagadi.

"Jungle wood" shall mean wood other than that of the reserved and classified kinds.

"Agricultural implements" shall mean and include ploughs, harrows, clod-crushers, hoes, seed-drills, mamti-handles, gudli-handles, and all other agricultural implements. The term shall not include sugar-cane mills, paddy-husking mills, and troughs for cattle, except in the Malnad.

"Malnad" shall mean the Taluks and parts of Taluks mentioned in the Appendix A, all other parts will be deemed to be Maidan

"Raiyat" shall mean a pattadar, khatedar, or registered occupant of Government land, or minor inamdar and includes the co-holder or tenant of all the above descriptions of land holders. Such tenants will be entitled to get wood or bamboos in conjunction with their pattadar, minor inamdar or co-holder within the limit prescribed in para 10 of the Rules.

4. These rules shall not affect any existing privilege of grazing in District Forests subject to such arrangements as may be introduced hereafter, nor will they affect existing rights of owners of gardens in their Soppinabettas or rights in the Kans in the Malnad. But nothing herein contained will prevent any District Forest being closed for forest conservancy by the Forest Department.

5. Raiyats in the Malnad and Maidan will, subject to Rules 1 and 2, be entitled to take free in District Forests without permit—

1stly. wood other than of the classified kinds for agricultural implements. In the Malnad, however, classified kinds of the 2nd Class may be taken for this purpose with the written permission of the Patel. The trees to be cut should be mature, knotted and unfit for timber. In the Malnad, when wood is wanted for sugar-cane mills, paddy-husking mills and troughs for cattle, free permits shall be obtained from the Amildar and these shall be returned to the Taluk within the time specified with the endorsement of the Patel of the village in which the wood has been cut, as to the quantity removed under the permit;

2ndly. stakes, brushwood and bamboo thorns for fences and hedges and dams

3rdly. wood other than of the classified kinds and bamboos required for cattle pens, for sheds, pandals, small huts, and "Manchaus" to be put up in fields and for stack floors;

4thly. branches of jungle wood trees, for manure and litter; and

5thly. grasses for thatching.

In addition to the above, the raiyats may also cut and remove grass gratis, from the Reserved and District Forests with the permission of the Deputy Commissioner of the District in which such forests are situated.

6. Raiyats requiring wood for purposes specified in Rule 5, 1st and 3rd clauses, if they wish to cut wood within the limits of any village other than their own or beyond the limits assigned to them, must obtain the permission of the Patel of that village. The size of the wood cut for agricultural implements shall not exceed what may be absolutely necessary for making the implements. Wood taken free under 3rd clause of Rule 5 should not either in the Malnad or Maidan exceed 2 feet in circumference except for sugar-cane mills, paddy-husking mills and troughs for cattle in the Malnad.

6. (*a*). The raiyats of the marginally noted Maganis of the Sagar and Nagar Taluks shall, for the present, take jungle wood free without permit, but shall report the quantity removed by them to the Patel of the village, who shall report the same to the Amildar of the Taluk.

7. Raiyats in the Malnad will be entitled to take free and without permit, thorny bamboos for hedges and fences, dead date, or bagani palm trees required for sugar-cane hedges and water courses and canes for agricultural purposes.

8. Raiyats in the Malnad and Maidan will be entitled to obtain wood and bamboos for building and agricultural purposes in Village or District Forests referred to in Rule 1, on payment of favorable seigniorage as hereunder mentioned; provided however that the wood or bamboos thus obtained shall be used for the construction and repairs of their farm buildings and dwelling houses in the village to which the forest is attached or has been assigned:—

9. Within 50 yards of the banks of a hill stream or any of its feeders or within a radius of 50 yards from any spring or within 50 yards of any road, no tree, shrub, or bamboos or jungle in any District Forest shall be cut, nor shall any wood or grass therein be burnt.

10. The concession of wood on favorable seigniorage made under Rule 8, shall not exceed, to any raiyat, 50 cart-loads in any one period of ten years in the Maidan and five years in the Malnad. It is not intended that fifty cart-loads should be issued in each case. It is the maximum allowed. The Amildar should ascertain the necessity of the raiyat in each case and grant the quantity he may consider absolutely necessary. He should also see that the privilege is not abused. He may refuse to grant license where an application for wood or bamboos is made with a view to make profit out of it.

11. The concessions accorded to raiyats in Rules 7, 8 and 10 are intended solely for their own *bonâ fide* use. They shall not transfer, sell or barter for purposes of trade any materials obtained under the aforesaid rules.

12. Any raiyat wishing to obtain wood or bamboos under Rule 8, should apply to the Amildar of the Taluk in whose limits the forest, from which he is entitled to cut the same under that rule, is situate.

13. Upon payment of seigniorage prescribed in Rule 8, the Amildar will issue a license in form set forth in Appendix B. Such license is not transferable. It will be the duty of license-holder to abide by the terms of the license. All time-expired licenses shall be null and void. No refund shall be made for unutilized licenses nor shall fresh licenses be issued in lieu thereof.

14. The licensee shall be bound to produce for examination before the Patel of the village, within the limits of which the District Forest specified in the license is situated, the wood or bamboos or other materials he is removing under the authority of that license, and to obtain the Patel's endorsement thereon as to the correctness of the quantity specified therein. The wood, bamboos, or other materials may then be removed, accompanied by the license which shall be finally handed over to the Patel of the village into which the wood, bamboos, or other materials are taken, who shall examine the quantity with the license and return the same with his certificate thereon, to the Amildar of the Taluk, who will, if he has not himself issued the license, transmit it to the issuing Amildar. Only the trees that are likely to produce the quantity granted in the license shall be cut. Irregular or wasteful cutting will lead to the concessions being withdrawn totally or for a time from the raiyat concerned.

15. Free permits prescribed for Malnad raiyats in Rule 5 and paid licenses referred to in Rule 13 will be liable to inspection by Forest, Revenue and Police officers, who will be bound to see that the terms of the license are not exceeded or broken.

15 *A*. When any jungle or part thereof is found to have been overworked it shall be competent for the Deputy Commissioner to close such jungle or part thereof for such period as may be necessary and have the same notified in the Gazette.

16. No license will be issued for felling wood or bamboos in Malnad "kans" or in any Government jungle which the Forest or Revenue Department has closed under para 4 or 15 *A*. The fact of any jungle being closed should, without delay, be intimated to the Amildar concerned.

17. Any raiyat who fells or removes wood, bamboos, or other materials specified in para 8, or from a District Forest, without having obtained the necessary license, exceeds the quantity specified in the same, fails to return the license within the prescribed time or breaks the terms of the license or contravenes the provisions of
of 1878.

18. In consideration of the concessions above granted, such raiyats as are living within the vicinity of State Forests and Plantations are expected to aid the Forest Department in the prevention, spread or extinction of any fire that occurs in State Forests and Plantations. Any neglect in this respect will lead to the withdrawal of the whole or any part of the concessions for such length of time as the Conservator of Forests may direct.

19. The raiyats are strictly forbidden from setting fire to grass, leaves, thorns or bamboo clumps in a District Forest, thereby endangering the safety of a State Forest or Plantation.

20. The undermentioned notifications are hereby cancelled :—

Notification No. 5, dated 23rd April 1873. Notification No. 244, dated 11th February 1887, as also No. 153, dated 31st August 1874, which it cancels. Proceedings No. 5323-83, dated 19th December 1873. „ No. 9837—R. F. 226-92, dated 9th December 1892. „ No. 5822—R. F. 226-92, dated 25th Sept. 1893.	So far as they apply to the Districts of Shimoga, Kadur and Hassan.

The term cart-load referred to in Rule 8 shall mean a country cart drawn by two bullocks. The rate for a cart-load drawn by four bullocks, to be double that for a cart drawn by two bullocks and so on for every additional pair of bullocks employed in dragging the cart.

By Order,

C. SREENIVASIENGAR,
Revenue Secretary.

No. 6131-39—Ft. F. 116-95, DATED BANGALORE, 9TH JANUARY 1896.

ORDER THEREON.—The Demand, Collection and Balance under the head "Forests" for the twelve months ending 30th June 1895, as compared with the figures for the corresponding twelve months of the previous year 1893-94, are exhibited Districtwar in the subjoined statement, from which it would appear that the total demand inclusive of arrears and the collections including remissions for the twelve months under review were nearly the same as those for the year 1893-94, with small variation in Districtwar details. The total Demand and Collection for the year 1894-95, as per monthly returns do not tally with the figures entered in the annual accounts submitted by the Deputy Commissioners of the Mysore and Hassan Districts as shown below. Such discrepancies should be carefully avoided in future.

To—The Deputy Commissioners of Districts,
The Conservator of Forests in Mysore.

READ :—

The following letter from the First Assistant to the Resident in Mysore to the Dewan of Mysore, No. 4840, dated the 6th December 1895.

I am directed to invite a reference to letters Nos. 1528 and 1675 from this office, dated, respectively, the 6th and 15th May last, regarding sandalwood trees in the Civil and Military Station.

2. It has been decided that the felling of these trees be at once undertaken by the Amildar of the station with the assistance of the Manegar whose services have been kindly placed at the disposal of the Collector by the Darbar.

3. As stated in this office letter of the 6th May last, the wood felled will be carted to the Darbar's Kothi at Bangalore, for classification and sale in the usual way, the proceeds of the sale, less any sum due for the services of the Manegar or on other account, being remitted to the Resident's Treasury as heretofore.

No. 5952-53—Ft. F. 55-95, DATED BANGALORE, 8TH JANUARY 1896.

ORDER THEREON.—A copy of the letter read above will be forwarded to the Conservator of Forests in Mysore for information and guidance.

2. The procedure indicated in paras 2 and 3 will be followed in future.

3. An annual account showing the sale proceeds remitted to the Resident's Treasury on account of sandalwood felled and removed from the Civil and Military Station will be submitted to Government for information.

READ:—

Docket No. 758—6651, dated 11th April 1895, from the Deputy Commissioner, Chitaldrug District.

Para 41 of the Proceedings of Government No. 13931-65—R. F. 236-92, dated 5th February 1894, and para 33 of Proceedings of Government No. 10352-90—R. 1307, dated 17th December 1894, reviewing the Revenue Administration Reports for the years 1891-92 and 1892-93, respectively.

With reference to the above has the honor to solicit the favor of instructions as to how the classification of "Judicial" and "Non-Judicial" stamps should be made. The undersigned has not been able to lay his hand on any orders of Government on the subject.

2 Letter No. 107, dated 20th December 1895, from the Superintendent of Stamps.

In reply to your docket No. 5316—Fl. 2901, dated 9th December 1895, forwarding for opinion copy of docket No. 758—665, dated 11th April 1895, from the Deputy Commissioner of the Chitaldrug District, requesting instructions as to how the classification of "Judicial" and "Non-Judicial" stamps should be made, I have the honor to state that all Court Fee Stamps, that is, stamps prescribed in the Court Fees Act VII of 1870, are "Judicial" stamps and that the general stamps, that is, those prescribed in Act I of 1879 are "Non-Judicial" stamps.

This is the classification adopted in my office.

No. 6367-73—Fl. 392, DATED BANGALORE, 16TH JANUARY 1896.

ORDER THEREON.—Deputy Commissioners of Districts (except Chitaldrug) are requested to report the practice prevailing in their respective Districts in the matter of distinguishing "Judicial" from "Non-Judicial" stamps and classifying them in the accounts.

C. SREENIVASIENGAR,
Revenue Secretary.

To—The Deputy Commissioners of Districts, except Chitaldrug.

PETITION.

Proceedings of the Government of Mysore,

Read :—

Letter No. 933, dated 20th December 1895, from the Deputy Commissioner of the Tumkur District, *in re* the procedure to be adopted in the investigation of regular claims to hereditary village offices.

No. 6227-36—Pet. 1265, DATED, BANGALORE, 10TH JANUARY 1896.

ORDER THEREON.—In the letter read above the Deputy Commissioner brings to notice the existence of the practice in his District of referring regular claims to hereditary village offices to Amildars for enquiry and report. He entertains doubts as to the legality of this practice and accordingly solicits instructions as to whether it may be continued.

2. Government observe that the practice thus reported to prevail in the Tumkur District is not in accordance with law. The claims mentioned above fall under Clause (*a*) of Section 221 of the Mysore Land Revenue Code. Under para 4 of Rule XLIII of the Land Revenue Rules such claims are not cognizable by Amildars; but have to be enquired into and decided by Deputy Commissioners. The enquiry prescribed for claims of this description is a "formal" one (*vide* para 3 of the Rule quoted above). Para 1 of this Rule lays down that a "formal" enquiry should be conducted in accordance with Sections 201 and 202 of the Revenue Code, which require the evidence to be taken down "by, or in the presence and hearing and under the personal superintendence and direction of the officer making the investigation or enquiry, and shall be signed by him." It is thus obvious that the enquiry should be held by no other officer than the one empowered by law to pronounce a decision in such cases. Government are of opinion that no modification of the Rules in this respect is desirable.

3. The practice which has hitherto obtained is clearly erroneous, and should be discontinued.

C. SREENIVASIENGAR,
Revenue Secretary.

To—The Deputy Commissioner, Tumkur District.
The Deputy Commissioners of other Districts for information and guidance.

Proceedings of the Government of Mysore,

READ AGAIN —

Government Proceedings No. 127, dated 29th July 1895, declining to direct the performance of a purification ceremony in the Sri Ranganathaswami Temple at Sreerangapatam on account of certain incidents alleged to have taken place therein on the occasion of the Sri Sringeri Swami's visit to the temple on the 10th June 1895.

READ —

Memorials, dated 1st September and 10th October 1895, from certain members of the Vaishnava community styling themselves "Akhila Vaishnava Mahajana Sabha," to Her Highness the Maharani-Regent, praying for a re-consideration of the orders conveyed in the above.

No. 723, DATED, BANGALORE, 17TH JANUARY 1896.

ORDER THEREON.—Her Highness the Maharani-Regent, after the fullest enquiry, has arrived at the conclusion that no grounds exist for any alteration of the orders conveyed in Government Proceedings No. 127, dated 29th July 1895, refusing to direct any *Samprokshané* in the Sri Ranganathaswami Temple at Sreerangapatam. This enquiry has proved beyond all doubt the two main facts adverted to in the Order of Government above quoted—namely, that the Sree Sringeri Swami, on the occasion of his visit to the said temple, did not proceed beyond the point up to which all caste Hindus are admitted without any question, and that what he then did in the temple amounted to the offer of a *Kanaké* and not to the performance of a Puja.

2. The Memorials above read are accordingly rejected.

By Order of the Mysore Government,

A. SREENIVASSACHARLU,
Secretary, Muzrai Department.

To—The Deputy Commissioner, Mysore District.

PUBLIC WORKS.

Proceedings of the Government of Mysore,

READ :—

Inspection Report of the 29th August 1895, by the Executive Engineer, Shimoga Division, on the Kathalgere wad and channels in the Channagiri Taluk, bringing to notice that these works which were restored by Government at an outlay of Rs. 10,823 in 1892-93, were allowed to be neglected by the Channel Conservancy establishment.

2. Letter No 4922 of 16th September 1895, from the Chief Engineer, requesting the Deputy Commissioner, Shimoga District, to state what action he proposes to take in the matter

3. Letter No. 180 of 29th October 1895, from the Deputy Commissioner, stating that enquiries are being made as regards the damage done to the waste weir of Kathalgere wad, that weeding the channel was performed from time to time by raiyats, but silt-clearing had not been done for the last ten years through a misapprehension of orders issued in Proceedings, Camp No. 117—27 of 6th April 1885, and No. 320-32—9 of 17th April 1895, which apparently apply to river channels, and that the rates of assessment under the Sulekere seem to include payment for silt-clearing also.

4. Public Works Secretary's Note of 23rd November 1895, submitting the above papers to Government, and stating that the ruling exonerating raiyats from the duty of silt-clearing applies to the Ashtagram channels drawn off from the Hemavati and the Cauveri rivers, and that, if this duty is to be done by Government for channels of the Sulekere system, the exemption of the raiyats from the "mamul" duty will gradually have to be applied to the irrigation channels under all tanks, &c.

No. 7-28—27-48, DATED, BANGALORE, 7TH JANUARY 1896.

ORDER THEREON.—It has often been brought to notice that the maintenance of the irrigation channels under tanks, which were restored and improved at considerable outlay, have been grossly neglected by raiyats, notwithstanding the clear and definite rules on the subject contained in the Chief Commissioner's Notification No. 65 of 2nd October 1873. The case under reference is one of the kind. The ruling exonerating the raiyats from the duty of silt-clearing, &c, applies only to the river channels drawn off from the Hemavati and the Cauveri rivers. In all other cases the raiyats are not exempted from their "mamul" duty of silt-clearing and maintaining the channels, such as those under the Sulekere and other tanks in the Province. The Government direct that the attention of Deputy Commissioners be drawn to this matter in view to their issuing necessary instructions to the Amildars on this important subject.

C. BOWEN, COLONEL,
Secretary to the Government of Mysore, P. W. D.

To Revenue Secretary to Government.
All Deputy Commissioners.
All Executive Engineers.
